Shipping

Safety Rail Company can ship to virtually any address in the world. We have designed unique packaging to protect your order while en route. Please report any freight damage to both the shipping company and ourselves immediately upon delivery. When you place an order, we will estimate shipping and delivery dates for you based on the availability of your items and the shipping options you choose.

All products are sold FOB Spring Park, MN 55384. Please note that the shipping rates for many items we sell are weight-based, while other items may have a DIM weight calculation. We will make every effort to use the most reliable, yet cost effective freight choice. To reflect the policies of the shipping companies we use, all weights will be rounded up to the next full pound.

Return Policy

In most cases, we will accept returns up to 30 days from the date of receipt due to manufacturing defects and/or layout miscalculations by Safety Rail Company. We understand that each individual case is different, and that is why we ask you to call 888-434-2720 to receive a Return Material Authorization number (RMA).

Payment Methods

Safety Rail Company accepts payment by credit card, check or wire transfer. We request dealers with approved credit terms to pay by check or wire transfer. Our terms require payment prior to shipment unless on approved credit.

Pricing

All items are sold to Authorized Dealers at standard Tier 1 dealer discount levels unless otherwise noted with a Tier 2 or Tier 3 designation next to the list price. Tier level discounts can be found in the dealer letter that accompanied this price list.

Reserved Rights

Safety Rail Company reserves the right to change specifications and pricing at any time. We will make every effort to notify dealers and distributors of any changes. Full Safety Rail Company Terms and Conditions are available upon request.
